MUSICALE NETS $70 FOR LIBRARY

LARGE CROWD AT ENTERTAINMENT AT CHRISTIAN CHURCH.

FIRST BAND APPEARANCE

Audience Gives Repeated Applause to Excellent Program of Song and Instrumental Numbers.

Although a complete checking up of the tickets sold has not been made yet, it was estimated by the committee in charge of the musicale given last night at the Christian church that in the neighborhood of $70 was cleared for the Library fund.

Over three hundred people attended the concert last night and many were the remarks of approval on the excellent program which was presented.

The musicale opened with three selections by the Maryville band, each of which received hearty applause from the audience. It was the first public appearance of the band this season and Director Gsell has built up an organization which is bound to prove a success here this summer.

Following the band selection the first of the series of "old time" songs, selected by a popular vote of the people of this city, was sung by Miss Jennie Garrett. "Old Madrid" was the title of the selection. Miss Carrie Margaret Baker then gave a piano selection, "B flat Minor Scherzo" by Chopin and Mrs. Fred Robinson sang the "Last Rose of Summer."

The next number on the program was a song by the chorus entitled "The Heavens Are Telling," following which Miss Ruth Reuillard sang "Believe Me if All Those Endearing Young Charms," by Moore.

A pipe organ and piano duet by Mr. and Mrs. Ralph Eversole was one of the big hits of the program. "My Old Kentucky Home," another of the popular songs, was sung by H. J. Becker, following which Prof. H. A. Miller gave a reading entitled "Farmer Whipple, the Bacelor." Prof. Miller gave an excellent interpretation of the humorous sketches of the piece which was thoroughly enjoyed by the large audience.

The Bridal Chorus from the "Rose Maiden" was the next number on the program, given by the chorus, following which Miss Virginia Lawson sang "Annie Laurie."

A violin duet by Miss Ruth Hankins and Mrs. Loren Schnabel from the "Tales of Hoffman" was warmly received.

The final number on the program was the song "Love's Old Sweet Song" by Rev. Gilbert S. Cox, in which he was accompanied by Prof. W. J. Osburne,, guitar, and Miss Ruth Hankins, violin. At the close of the program, the entire audience stood and sang two verses of "America."

RECRUITING OFFICER PLANNING FOR DRIVE

Campaign to Enist Recruits to Begin Here June 26.—Sergeant Frank Locke Here Today.

Sergeant Frank Locke of St. Joseph, a recruiting officer for the Regular Army, was in Maryville today making preliminary arrangements for the enlistment campaign which is to open here June 26.

At that time Sergeant Locke will conduct a drive for recruits for all branches of the United States military service, and will explain the advantages offered in each of the departments.

All branches of the Regular service are open to volunteers—Infantry, Cavalry, Air Service, Machine Gun, Field Artillery, Medical Corps, Tank Corps, and many others. A man will be able to select the branch of service he desires but recruiting officers will advise applicants to apply for enlistment in the branches of service for which they are best qualified.

Those who enlist for overseas will be sent to Camp Meade, Md., and will remain only long enough to receive preliminary training. Those who enlist for duty in this country only will not be sent to foreign soil.

Pay in the army will remain at the same as on the war time basis, viz: from $20 to $105 per month in addition to board, lodging, clothing, medical attention, etc.

Applicants must be between the ages of 18 and 55 inclusive. If between 18 and 21 the applicant must present either a birth certificate, baptismal or school certificate, or the affidavit of parent or guardian with legal evidence of guardianship.

Not only is an opportunity offered to travel in Europe but an applicant may choose service in Hawaii, Panama, China, Alaska, Siberia or in the Philippine Islands.

Never before was the old saying, "Join the Army and see the World" more true than now.

BANQUET TONIGHT FALL IN, VETERANS

VETERANS OF WORLD WAR TO BE BANQUETED AT CHRISTIAN CHURCH

TO BE AT 7:30 O'CLOCK

A Program That Everyone Will Like—All Service Men Are Urged to Come.

All returned veterans of the world war residing in Polk township are to be banqueted this evening at the First Christian church at 7:30 o'clock. The committee on entertainment composed of Fred Newlon, E. G. Cook and Rev. Snodgrass, have left nothing undone to make this an occasion to be remembered by all present. Over 200 invitations have been mailed out and the committee desires that every returned soldier and sailor, even if a personal invitation has, for some reason or other, not been received be in attendance since a ticket has been provided for all.

The banquet is being held under the auspices of the Young Men's Bible class of the church. This class plans to reorganize on next Sunday with seventy-five to one hundred and twenty-five members. Tonight is only the beginning of a great membership drive which hopes to make this class the largest and most active religious body of young men in this part of the state.

Tonight's entertainment is one of the varied nature. There will be orchestral selections by the best talent and two vocal solos. The male quartet of the Christian church which was so favorably received at the Workman Chapel services last Sunday will sing. Of speeches there will be several of the kind that make you think and make you laugh, dealing with the debt of the soldier to the community and the community to the soldier, the work of the Bible school, reasons for joining the class, and "Putting on the Caboose"

DISCUSS PLANS FOR CELEBRATION

No Definite Action Taken by Commercial Club—To Be Held in July.

The directors of the Maryville Commercial Club held their regular weekly meeting and luncheon at the Linville hotel last night at 6:30 o'clock. Plans were considered for holding a celebration for the returned soldiers and sailors but no definite action was taken, other than deciding to hold it sometime in July. The committee which has charge of the arrangement of the program is composed of Bruce Montgomery, Neil Somerville and Fred Wolfers. It is expected that definite announcement regarding the celebration plans will be made within the next few days.

PRESIDENT APPROVES THE PLAN FOR SPEAKING TRIP

Will Announce Program of "Swing Around the Circle" on Date of Departure From France.

Washington, June 17.—President Wilson has practically approved the tentative itinerary for a speaking "swing around the circle," as mapped out by Tumulty, and has directed it to be made public on the date of his departure from France, it was stated at the White House today. The President plans to address Congress immediately upon his return to Washington. He will then spend several days at the capitol clearing up his desk, after which he will start on the proposed speaking trip.

NODAWAY EXCEEDS AVERAGE SALARY

PAYS $20 MORE THAN AVERAGE TEACHER'S SALARY IN THE STATE

75 PER CENT LEAVING

Of State's 12,025 S. T. C. Graduates in Five Years, Only 3,255 Remain Here.

When asked recently whether he agreed with the conclusions of the chairman of the recommendation committees of the various State Teachers Colleges as to the exodus of the best qualified teachers of the state because of the high salaries paid in other states and the consequent weakening of the school system of Missouri Prof. Bert Cooper, County Superintendent of Schools, was emphatic in according with the views of these men.

Professor Cooper, also, furnished some interesting statistics in regard to the number of well qualified teachers in the state and the average salaries paid. In the 1917 reports it was stated that there are 20,505 teachers in the state of which number 3,255 hold certificates from Normal schools and 17,595 have some high school training. Taking the number of graduates from the Kirksville State Teachers College for the past five years as an average and multiplying it by five for the five teachers' institutions of the state it is found that 12,025 men and women have completed a professional course. As stated in the statistics herein given there are 3,255 teachers in the state with Normal school training. In other words 8,770 teachers trained in the five institutions established in this state for teachers or seventy-five per cent approximately leave this state to teach elsewhere. Unquestionably this is a great economic loss to the tax payers of Missouri. The remedy is higher salaries.

The general average annual salary paid to teachers during the year 1917 was $566.69 which is pitifully small. The average male teachers was $659.00 and for female teachers $545.00. It is interesting to note that the general average annual salary for teachers in Nodaway county for the same years was $586.00 or $20.00 above the average.

The need of a stricter compulsory attendance law for children of school age is emphasized by the fact that, of the 919,423 children who ought to have been in school, only 726,822 attended last year, according to statistics compiled for the year 1917 by state school officials.

George Robb Ellison and E. E. Williams returned today from a trip to Wichita and Peabody, Kan.

Harold Gooden and Andrew Spire of Parnell, were here yesterday.

TREATY SPARES GERMAN TRADE

IMPORTANCE OF GERMAN INDUSTRY TO WORLD CAUSES ALLIED LIENENCY

WORK ON AUSTRIAN PACT

Reports Say German People Demand Signing—Possible That New Government Will Succeed in Germany.

Paris, June 17.—The resumption of German industry as a matter of world concern to the Allies and the fact that they will not atempt to interfere with the German resumption of industry and trade was contained as a part of the Allies' reply to the German counter proposals, a further section of which was made public today.

The German reply made no definite statement as to reparations, but only begged to express an unwillingness to do something still really undetermined

In the Allies' statement it is brought out that the sum of one hundred billion marks was only mentioned to give the impression of an offer, which upon closer examination proved not to be. No interest was to be paid on the sum until 1928. There would be no substantial payment, after which would come a series of indefinite installments which would run for nearly a half a century.

Paris, June 17.—With the German treaty disposed of, the council of five met this afternoon to complete the economic clause of the Austrian treaty Baron Sonnino, the Italian Foreign Minister, replaced Orlando at this afternoon's sitting of the "big five," which hopes to complete the missing sections of the Austrian treaty before President Wilson leaves for Brussels tomorrow night. The publication of the German counter proposals and the Allied reply today simply emphasized the wide divergence of opinion between the German and the Allied and Associated Powers. Officials declared today that the Allied reply simply demolishes the German contentions. Whether Germany will sign or not remains in doubt, despite the fact that the majority of confident reports reaching Paris describe the people as emphatically and generally demanding that their representatives sign. It is quite possible that before her signature is attached, the present German government will be succeeded by the Independent Socialist ministry.

Versailles, June 17.—The reply of the Allied and associated governments to Germany's counter proposals to the Peace Treaty and a revised copy of the Peace Treaty last night were in the hands of Count Von Brockdorff-Rantzau, who is on his way to Weimar, there to present to the German national assembly the final word of the victors in the war.

Five days was the allotted period originally fixed for the Germans to answer yes or no to the demands of the Allies. But two days additional have been granted because of the insistence of the German delegation that not sufficient time had been allowed for proper consideration of the revised terms. This will extend the time limitation to Monday, June 23.

If Germany's reply is yes, the treaty will be immediately signed; if Germany declines to accede to the demands, the armistice will be automatically terminated and the Allied armed forces will take whatever steps they deem necessary.

PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most overworked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into deadly Bright's Disease.

One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you. At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.

Plans to Export Pure-Bred Stock.

To work out plans for increasing the exportation of pure-bred breeding stock from the United States to South America, David Harrell and H. P. Morgan, of the Bureau of Markets, will go to South America as representatives of the United States Department of Agriculture. They recently conferred in Chicago with secretaries of various breeding associations. Secretaries representing all breeds of hogs and all but two of cattle attended. Ways and means of stimulating interest among South American stock raisers in importations of pure-bred stock from this country were discussed. It was planned to send a shipment of hogs to South America live-stock shows. This plan, it is believed, is one of the best ways of introducing to South America stock raisers the quality of animals now being grown in the United States.

Why Gasoline Prices Are Low

THE fact that gasoline prices are low constitutes the achievement of an ideal on the part of the Standard Oil Company. There are several contributing factors.

The ingenuity of the automobile engineers in producing cars at moderate prices and the efficiency of the Standard Oil Company in producing gasoline in sufficient quantities to supply the demand have placed both in the light of staples.

The demand for gasoline is steady—the supply is steady—thus enabling the Company to utilize its equipment to a maximum capacity which in turn keeps down the costs and therefore selling prices.

The Standard Oil Company through long years of experience is able to rescue and utilize all of those fractions which go to make gasoline, and to utilize all by-products for commodities of universal use.

This plays an important part in keeping down manufacturing costs on the basic product—gasoline.

The Standard Oil Company (Indiana) furthermore steadfastly adheres to a fixed policy of supplying first, the patrons of the eleven states it serves.

Thus at all times is there an ample supply for every five gallon buyer and every five thousand gallon buyer with no embarrassing demands from outside to drain the supply and force an increase in price.

It is by this husbandry that the Company is able to keep down the price of gasoline that you may run your car for the enjoyment of your family or the furtherance of your business without great expense for fuel.

You may not know that gasoline sells in this market for about one-half or one-third the price charged in Europe even under normal pre-war conditions.

THE Buick Valve-in-Head motor is, first of all, a clean-cut motor. It acts cleanly, it concentrates, it becomes more efficient—because the cylinders of this motor are true cylinders—they have no side-pockets, no by-ways through which to lose power.

The full force of the explosion acts on the piston-head, where it conserves *power*. After each piston stroke the cylinders clear themselves of dead gas, so that they are filled with all fresh gas for each succeeding explosion.

Miss Carrie Hopkins will be hostess to the P. E. O. Chapter Friday night at 8 o'clock. Mrs. Mary D. Lawrence will be assisting hostess.

At Elks Club Thursday.

The regular monthly entertainment for June will be held at the Elks club Thursday evening. There will be cards, refreshments and dancing. The committee is composed of Dr. E. C. Braniger, John Mutz and Sherman Montgomery.

Gooden Dinner.

Mr. and Mrs. Cooper Gooden entertained at dinner Sunday noon for Mr. and Mrs. Eugene Rathbun and the latter's mother, Mrs. Kelley, and sister, Miss Leone Kelley, who are spending the summer at the Rathbun home, Mrs. Preston Seafers and Miss Katherine Rathbun.

Entertain at Euchre.

Mrs. F. P. Reuillard and daughter, Miss Marie Reuillard, and Mrs. Eldon W. Irvin entertained with a six-hand euchre party this afternoon at the Reuillard home on North Market street The decorations were in red and white and crystal baskets filled with red roses were used in decorating the tables. The hostesses had the assistance of Miss Allie Jean Fraser, Miss Anna Bainum and Miss Ruth Reuillard.

Mrs. Funk Hostess.

Mrs. Cleav Funk entertained the Wednesday Afternoon Bridge club and a few friends last night complimentary to three former club members, Mrs. Edgar Schilder of Syracuse, N. Y., Mrs. Lewis DeHart of Detroit, Mich., and Mrs. Harold Bellows of Chicago. The club favor was awarded to Mrs. Schilder and the guest favor to Mrs. DeHart. Another out-of-town guest was Miss Dorothy Bollinger of Waterloo, Ill.

For Miss Reichen.

Miss Louise Reichen of St. Joseph was honor guest at a line party given last night by her cousin, Miss Freda Wenger, who is attending the State Teachers College, at the Empire theatre. Refreshments followed at the New York Candy Kitchen, and the guests included Misses Opal Birkenholz, Dollye Frogge, Lulu Gromer, Audrey Birkenholz, Lena Costola, Lucile Frogge, Grace LaMar, Freda Wenger, and the honor guest.

Bellows-Thomas Party.

Mrs. Fayette Bellows and Mrs. D. J. Thomas were the hostesses at a six-hand euchre party yesterday afternoon at the Thomas home on North Main street. The favor was won by Mrs. Hal Hooker. Spring flowers and blossoms were used throughout the rooms and small vases of corn flowers and nasturtiums centered the tables. Mrs. J. F. Whelihan and daughter, Miss Louise Whelihan of Cedar Rapids, Ia., who are visiting at the home of Mr. and Mrs. Frank W. Crow, were out-of-town guests.

A Van Steenbergh, Mr. and Mrs. Harry Harrison, Mr. and Mrs. I. B. Williams and baby daughter, Frances Margaret, Mr. and Mrs. J. E. Allen, Carl Murray, Amos Sprecher, Misses Eva and Fay Sprecher, Catherine Harrison and Edward and Frank Tindall.

Miss Longan Coming.

After many years of excellent trainings and faithful, energetic work, Miss Lucy Mildred Longan of Des Moines, Ia., will appear in Maryville as concert pianist Monday night, June 30, at the Empire theater. Miss Longan was graduated from the Conservatory of Music, Drake university, in 1913 under Miss Marie VanAaken. She is affiliated with the Omega Chapter of Mu Phi Epsilon, a national honorary musical sorority. The past year she has studied with Thuel Burnham, a concert pianist of international reputation.

Miss Longan has chosen Maryville as the place in which she wishes to make her debut. Her choice is a tribute to the cordiality and enthusiastic appreciation so characteristic of Maryville people. Undoubtedly the Maryville public will give her a great ovation.

Miss Longan is a niece of Mrs. Henry Westfall, and her mother was Miss Alice Ford, who grew to womanhood in this city.

For Returned Soldiers.

The Herron Homemaking Circle entertained with a social last night at the home of Mr. and Mrs. Harry Fisher northwest of Maryville, in honor of the return from service of Omer Fisher, Dr. E. C. Braniger, Virgil Vulgamott and Glenn Guthrie. The service flag of the Circle contains nine stars, four for the above named, three for Capt. Paul Hogan, Bert Hogan and Sam Vulgamott, the latter two still serving in France, and two gold stars for James Keith and John McGary. The lawn of the Fisher home was lighted with Japanese lanterns and spring flowers and flags were used in decorating the rooms. Music was enjoyed and refreshments of ice cream cake and strawberries served. Mrs. Fisher was assisted by Misses Grace Fisher, Esther Neidel and Mary Taylor, Mrs. V. A. Guthrie and Mrs. S. E. Fisher. Those present were Mr. and Mrs. Ed Vulgamott, Mr. and Mrs. V. A. Guthrie, Mr. and Mrs. J. C. F. Taylor, Mr. and Mrs. I. E. Tebow, Mr and Mrs. Chas. Porter and daughter, Margaret; Mr and Mrs. Chas. TREATY SPARES GERMAN TRADE

(Continued from page 1)

tions have been vigorously upheld, as establishing a peace of justice, but certain modifications in detail and many explanations of the effect of execution are made. The reply is in two parts—a general covering letter and seriatim discussions of the general counter proposals. The answer sets forth:

A severe castigation of Germany for protesting against the treaty on the ground that the treaty conflicts with the terms of the armistice, saying that Germany fails to understand the position she occupies today in the estimation of the world for being responsible for a war which was " the greatest crime against humanity and the freedom of the people that any nation, calling itself civilized, has ever consciously committed."

The following principal changes in terms:

A plebiscite for Upper Silesia, with guarantees of coal from that territory.

Frontier rectifications in West Prussia.

Omission of the third zone in the Schlesweg plebiscite.

Temporary increase of the German Army from one hundred thousand to two hundred thousand men.

Declaration of the intention to submit within a month after signature a list of those accused of violation of the laws and customs of war.

Offer to co-operate with a German commission on reparations and to receive suggestions for discharging the obligation.

Certain detailed modifications in the finance, economic and ports and waterways clauses, including abolition of the proposed Kiel Canal Commission.

WOMEN AT WORK.

During the war, millions of women have been at work in vocations into which they have never before been called—in Munition Factories, Chemical Works, Metal Works, Street Railways, and as Ambulance Drivers, Barbers and Elevator Girls. Undoubtedly thousands of others have longed to serve in this way, but because of female ailments, which had fastened upon them, were not able to do so. Women in this condition should give Lydia E. Pinkham's Vegetable Compound a trial and find health and strength, as thousands of others have so done.—Adv.

NOTICE OF SPECIAL ELECTION.

TO ALL THE QUALIFIED VOTERS OF THE CITY OF MARYVILLE, MISSOURI:

Public notice is hereby given to all the qualified voters of the city of Maryville, Missouri, that under and pursuant to the provisions of Ordinance No. 825 of said city of Maryville, duly passed by the Council and approved by the Mayor on the 31st day of May, 1919, a special election will be held in said city of Maryville, Missouri, on Thursday, the 26th day of June, 1919, for the purpose of voting on the proposition to authorize and empower the Council of said city of Maryville to increase the indebtedness of said city of Maryville in the sum of Fifty thousand dollars in addition to the regular income and revenue now provided by law for said city, by issuing and selling in the name and for and on behalf of said city of Maryville, bonds of the par value of Fifty thousand dollars, for the purpose of procuring money to enlarge, extend and improve the water works of said city of Maryville, and to levy and collect a special tax on the taxable property of said city of Maryville, in addition to the regular annual taxes now authorized to be levied in said city, to pay said bonds and interest accruing thereon.

The polling places for said special election shall be as follows:

First Ward—City Fire Station, No. 413 North Market Street.

Second Ward—Sewell Auto Company's, office, No. 114 West 4th Street.

Third Ward—Office of J. H. Gray, No. 114 West 2nd Street.

Fourth Ward—Office of Shoemaker-Bovard Transfer Co., No. 120 East 3d Street.

All in said city of Maryville, Missouri.

The polls will be opened at 6 o'clock in the morning and kept open until sun set on the day of said special election.

Tickets or ballots to be voted at said special election will be provided for voters in the following form "For increase of debt—Yes" and "For increase or debt—No." the former of which shall be taken as a vote assenting to such increase of debt of said city in the amount and for the purposes hereinbefore set forth, and the latter as dissenting therefrom.

If two thirds of the qualified voters of said city of Maryville voting at said special election shall vote "For increase of debt—Yes" then the Council of said city of Maryville shall be thereby authorized and empowered to increase the indebtedness of said city of Maryville, to the amount aforesaid by issuing and selling the bonds of said city to the amount of Fifty thousand dollars as aforesaid, for the purposes aforesaid, and to levy and collect a special tax as aforesaid to pay the principal and interest of such bonds, and to enlarge, extend and improve the water works of said city of Maryville, with the proceeds of the sale of said bonds.

Witness our hands as Mayor and City Clerk of said city of Maryville, Missouri, and the seal of said city, this 11th day of June, 1919.

FEE SYSTEM FOR MOTOR CARS STILL IS COMPLICATED

The amount of fees collected per car for either pleasure or commercial vehicles is as yet far from uniform and is still further complicated by the widely varying requirements for the registration or licensing of chauffeurs, owners, operators, dealers, etc. Thus, if the total gross registration and license revenues be used as a basis of revenue, and the total automobile trucks and vehicles as a basis for motor cars, it is found that for the entire United States the average fee per car was $8.37. On the same basis the State of New Hampshire received in 1918 a gross revenue of $20.52 for each motor car, while Minnesota received only about $1.75 annually for each car as the registration in that state is for a three-year period.

In most states motor cars are taxed as personal property in addition to the required registration fees. In Delaware, Idaho, Iowa, Michigan, New York, North Dakota, Oklahoma, South Carolina, Pennsylvania and Vermont registration fees are in lieu of all other taxes. Therefore, in making any comparisons in fees as between the several states, this fact should be borne in mind.

Some Interesting Facts About Lumber

Some time ago the state legislature of Illinois appointed a committee to investigate the so-called "High Price of Lumber." A thorough investigation shows that up to this time lumber prices had not advanced in comparison with other commodities because the effect of the war had retarded the use and consequent demand.

It shows that 1000 feet of lumber will not purchase nearly as much grain, pork, cotton and other provisions and commodities as it would in 1913 and 1914. Therefore the price has not yet risen to the level of other things.

It shows that over twenty million acres of timber were destroyed in the old country during the war, and that with Russian saw mills dismantled, Canada and the United States will be called upon to supply the world's lumber during the reconstruction period. With the demand far greater than ever before, the report states that, "It is the opinion of this Commission that lumber prices will go up rather than down."

Another thing for us, who live in the United States, to consider, is the fact that this great demand—especially in the old country, is very liable to cause a shortage of lumber here at home.

Labor is the greatest item in the production of lumber, and with high wages being paid, prices will naturally advance. But the men who get good wages are the men who buy our produce and pay good prices for it. For that reason the BUILD NOW campaign urged by the government is sound advice, because we can get the materials now, and get them at a price that is very reasonable.

The man who is contemplating any kind of building will do well to study the market situation and take advantage of present conditions. We will be glad to give you all the information possible, furnish buildings helps, estimates, etc.

MUSICALE NETS $70 FOR LIBRARY

LARGE CROWD AT ENTERTAINMENT AT CHRISTIAN CHURCH.

FIRST BAND APPEARANCE

Audience Gives Repeated Applause to Excellent Program of Song and Instrumental Numbers.

Although a complete checking up of the tickets sold has not been made yet, it was estimated by the committee in charge of the musicale given last night at the Christian church that in the neighborhood of $70 was cleared for the Library fund.

Over three hundred people attended the concert last night and many were the remarks of approval on the excellent program which was presented.

The musicale opened with three selections by the Maryville band, each of which received hearty applause from the audience. It was the first public appearance of the band this season and Director Gsell has built up an organization which is bound to prove a success here this summer.

Following the band selection the first of the series of "old time" songs, selected by a popular vote of the people of this city, was sung by Miss Jennie Garrett. "Old Madrid" was the title of the selection. Miss Carrie Margaret Baker then gave a piano selection, "B flat Minor Scherzo" by Chopin and Mrs. Fred Robinson sang the "Last Rose of Summer."

The next number on the program was a song by the chorus entitled "The Heavens Are Telling," followins which Miss Ruth Reuillard sang "Believe Me if All Those Endearing Young Charms," by Moore.

A pipe organ and piano duet by Mr. and Mrs. Ralph Eversole was one of the big hits of the program. "My Old Kentucky Home," another of the popular songs, was sung by H. J. Becker, following which Prof. H. A. Miller gave a reading entitled "Farmer Whipple, the Bacelor." Prof. Miller gave an excellent interpretation of the humorous sketches of the piece which was thoroughly enjoyed by the large audience.

The Bridal Chorus from the "Rose Maiden" was the next number on the program, given by the chorus, following which Miss Virginia Lawson sang "Annie Laurie."

A violin duet by Miss Ruth Hankins and Mrs. Loren Schnabel from the "Tales of Hoffman", was warmly received.

The final number on the program was the song "Love's Old Sweet Song" by Rev. Gilbert S. Cox, in which he was accompanied by Prof. W. J. Osburne, guitar, and Miss Ruth Hankins, violin. At the close of the program, the entire audience stood and sang two verses of "America."

RECRUITING OFFICER PLANNING FOR DRIVE

Campaign to Enist Recruits to Begin Here June 26.—Sergeant Frank Locke Here Today.

Sergeant Frank Locke of St. Joseph, a recruiting officer for the Regular Army, was in Maryville today making preliminary arrangements for the enlistment campaign which is to open here June 26.

At that time Sergeant Locke will conduct a drive for recruits for all branches of the United States military service, and will explain the advantages offered in each of the departments.

All branches of the Regular service are open to volunteers—Infantry, Cavalry, Air Service, Machine Gun, Field Artillery, Medical Corps, Tank Corps, and many others. A man will be able to select the branch of service he desires but recruiting officers will advise applicants to apply for enlistment in the branches of service for which they are best qualified.

Those who enlist for overseas will be sent to Camp Meade, Md., and will remain only long enough to receive preliminary training. Those who enlist for duty in this country only will not be sent to foreign soil.

Pay in the army will remain at the same as on the war time basis, viz: from $20 to $105 per month in addition to board, lodging, clothing, medical attention, etc.

Applicants must be between the ages of 18 and 55 inclusive. If between 18 and 21 the applicant must present either a birth certificate, baptismal or school certificate, or the affidavit of parent or guardian with legal evidence of guardianship.

Not only is an opportunity offered to travel in Europe but an applicant may choose service in Hawaii, Panama, China, Alaska, Siberia or in the Philippine Islands.

Never before was the old saying, "Join the Army and see the World" more true than now.

BANQUET TONIGHT FALL IN, VETERANS

VETERANS OF WORLD WAR TO BE BANQUETED AT CHRISTIAN CHURCH

TO BE AT 7:30 O'CLOCK

A Program That Everyone Will Like—All Service Men Are Urged to Come.

All returned veterans of the world war residing in Polk township are to be banqueted this evening at the First Christian church at 7:30 o'clock. The committee on entertainment composed of Fred Newlon, E. G. Cook and Rev. Snodgrass, have left nothing undone to make this an occasion to be remembered by all present. Over 200 invitations have been mailed out and the committee desires that every returned soldier and sailor, even if a personal invitation has, for some reason or other, not been received be in attendance since a ticket has been provided for all.

The banquet is being held under the auspices of the Young Men's Bible class of the church. This class plans to reorganize on next Sunday with seventy-five to one hundred and twenty-five members. Tonight is only the beginning of a great membership drive which hopes to make this class the largest and most active religious body of young men in this part of the state.

Tonight's entertainment is one of the varied nature. There will be orchestral selections by the best talent and two vocal solos. The male quartet of the Christian church which was so favorably received at the Workman Chapel services last Sunday will sing. Of speeches there will be several of the kind that make you think and make you laugh, dealing with the debt of the soldier to the community and the community to the soldier, the work of the Bible school, reasons for joining the class, and "Putting on the Caboose"

DISCUSS PLANS FOR CELEBRATION

No Definite Action Taken by Commercial Club—To Be Held in July.

The directors of the Maryville Commercial Club held their regular weekly meeting and luncheon at the Linville hotel last night at 6:30 o'clock. Plans were considered for holding a celebration for the returned soldiers and sailors but no definite action was taken, other than deciding to hold it sometime in July. The committee which has charge of the arrangement of the program is composed of Bruce Montgomery, Neil Somerville and Fred Wolfers. It is expected that definite announcement regarding the celebration plans will be made within the next few days.

PRESIDENT APPROVES THE PLAN FOR SPEAKING TRIP

Will Announce Program of "Swing Around the Circle" on Date of Departure From France.

Washington, June 17.—President Wilson has practically approved the tentative itinerary for a speaking "swing around the circle," as mapped out by Tumulty, and has directed it to be made public on the date of his departure from France, it was stated at the White House today. The President plans to address Congress immediately upon his return to Washington. He will then spend several days at the capitol clearing up his desk, after which he will start on the proposed speaking trip.

NODAWAY EXCEEDS AVERAGE SALARY

PAYS $20 MORE THAN AVERAGE TEACHER'S SALARY IN THE STATE

75 PER CENT LEAVING

Of State's 12,025 S. T. C. Graduates in Five Years, Only 3,255 Remain Here.

When asked recently whether he agreed with the conclusions of the chairman of the recommendation committees of the various State Teachers Colleges as to the exodus of the best qualified teachers of the state because of the high salaries paid in other states and the consequent weakening of the school system of Missouri Prof. Bert Cooper, County Superintendent of Schools, was emphatic in according with the views of these men.

Professor Cooper, also, furnished some interesting statistics in regard to the number of well qualified teachers in the state and the average salaries paid. In the 1917 reports it was stated that there are 20,505 teachers in the state of which number 3,255 hold certificates from Normal schools and 17,595 have some high school training. Taking the number of graduates from the Kirksville State Teachers College for the past five years as an average and multiplying it by five for the five teachers' institutions of the state it is found that 12,625 men and women have completed a professional course. As stated in the statistics herein given there are 3,255 teachers in the state with Normal school training. In other words 8,770 teachers trained in the five institutions established in this state for teachers or seventy-five per cent approximately leave this state to teach elsewhere. Unquestionably this is a great economic loss to the tax payers of Missouri. The remedy is higher salaries.

The general average annual salary paid to teachers during the year 1917 was $566.69 which is pitifully small. The average male teachers was $659.00 and for female teachers $545.00. It is interesting to note that the general average annual salary for teachers in Nodaway county for the same years was $586.00 or $20.00 above the average.

The need of a stricter compulsory attendance law for children of school age is emphasized by the fact that, of the 919,423 children who ought to have been in school, only 726,822 attended last year, according to statistics compiled for the year 1917 by state school officials.

George Robb Ellison and E. E. Williams returned today from a trip to Wichita and Peabody, Kan.

Harold Gooden and Andrew Spire of Parnell, were here yesterday.

TREATY SPARES GERMAN TRADE

IMPORTANCE OF GERMAN INDUSTRY TO WORLD CAUSES ALLIED LIENENCY

WORK ON AUSTRIAN PACT

Reports Say German People Demand Signing—Possible That New Government Will Succeed in Germany.

Paris, June 17.—The resumption of German industry as a matter of world concern to the Allies and the fact that they will not atempt to interfere with the German resumption of industry and trade was contained as a part of the Allies' reply to the German counter proposals, a further section of which was made public today.

The German reply made no definite statement as to reparations, but only begged to express an unwillingness to do something still really undetermined.

In the Allies' statement it is brought out that the sum of one hundred billion marks was only mentioned to give the impression of an offer, which upon closer examination proved not to be. No interest was to be paid on the sum until 1928. There would be no substantial payment, after which would come a series of indefinite installments which would run for nearly a half a century.

Paris, June 17.—With the German treaty disposed of, the council of five met this afternoon to complete the economic clause of the Austrian treaty Baron Sonnino, the Italian Foreign Minister, replaced Orlando at this afternoon's sitting of the "big five," which hopes to complete the missing sections of the Austrian treaty before President Wilson leaves for Brussels tomorrow night. The publication of the German counter proposals and the Allied reply today simply emphasized the wide divergence of opinion between the German and the Allied and Associated Powers. Officials declared today that the Allied reply simply demolishes the German contentions. Whether Germany will sign or not remains in doubt, despite the fact that the majority of confident reports reaching Paris describe the people as emphatically and generally demanding that their representatives sign. It is quite possible that before her signature is attached, the present German government will be succeeded by the Independent Socialist ministry.

Versailles, June 17.—The reply of the Allied and associated governments to Germany's counter proposals to the Peace Treaty and a revised copy of the Peace Treaty last night were in the hands of Count Von Brockdorff-Rantzau, who is on his way to Weimar, there to present to the German national assembly the final word of the victors in the war.

Five days was the allotted period originally fixed for the Germans to answer yes or no to the demands of the Allies. But two days additional have been granted because of the insistence of the German delegation that not sufficient time had been allowed for proper consideration of the revised terms. This will extend the time limitation to Monday, June 23.

If Germany's reply is yes, the treaty will be immediately signed; if Germany declines to accede to the demands, the armistice will be automatically terminated and the Allied armed forces will take whatever steps they deem necessary.

PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most overworked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into deadly Bright's Disease.

One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you. At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.

Plans to Export Pure-Bred Stock.

To work out plans for increasing the exportation of pure-bred breeding stock from the United States to South America, David Harrell and H. P. Morgan, of the Bureau of Markets, will go to South America as representatives of the United States Department of Agriculture. They recently conferred in Chicago with secretaries of various breeding associations. Secretaries representing all breeds of hogs and all but two of cattle attended. Ways and means of stimulating interest among South American stock raisers in importations of pure-bred stock from this country were discussed. It was planned to send a shipment of hogs to South America live-stock shows. This plan, it is believed, is one of the best ways of introducing to South America stock raisers the quality of animals now being grown in the United States.

Why Gasoline Prices Are Low

THE fact that gasoline prices are low constitutes the achievement of an ideal on the part of the Standard Oil Company. There are several contributing factors.

The ingenuity of the automobile engineers in producing cars at moderate prices and the efficiency of the Standard Oil Company in producing gasoline in sufficient quantities to supply the demand have placed both in the light of staples.

The demand for gasoline is steady—the supply is steady—thus enabling the Company to utilize its equipment to a maximum capacity which in turn keeps down the costs and therefore selling prices.

The Standard Oil Company through long years of experience is able to rescue and utilize all of those fractions which go to make gasoline, and to utilize all by-products for commodities of universal use.

This plays an important part in keeping down manufacturing costs on the basic product—gasoline.

The Standard Oil Company (Indiana) furthermore steadfastly adheres to a fixed policy of supplying first, the patrons of the eleven states it serves.

Thus at all times is there an ample supply for every five gallon buyer and every five thousand gallon buyer with no embarrassing demands from outside to drain the supply and force an increase in price.

It is by this husbandry that the Company is able to keep down the price of gasoline that you may run your car for the enjoyment of your family or the furtherance of your business without great expense for fuel.

You may not know that gasoline sells in this market for about one-half or one-third the price charged in Europe even under normal pre-war conditions.

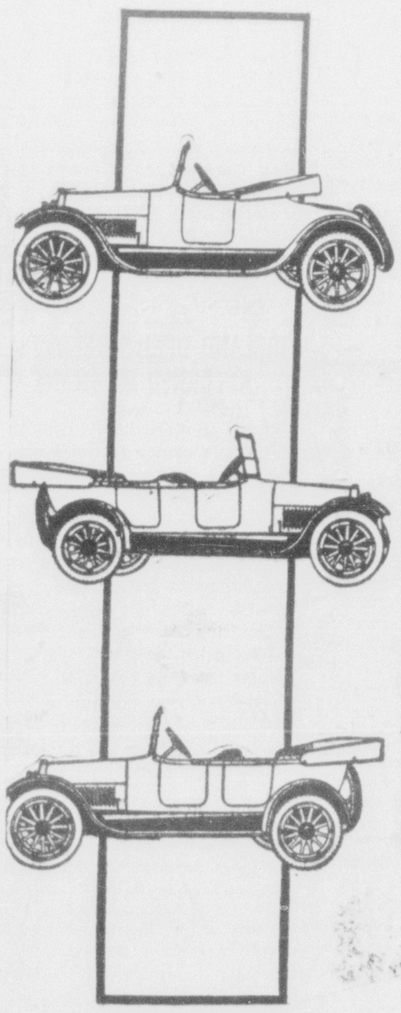
EVERYBODY KNOWS VALVE-IN-HEAD MEANS BUICK



THE Buick Valve-in-Head motor is, first of all, a clean-cut motor. It acts cleanly, it concentrates, it becomes more efficient—because the cylinders of this motor are true cylinders—they have no side-pockets, no by-ways through which to lose power.

The full force of the explosion acts on the piston-head, where it conserves *power*. After each piston stroke the cylinders clear themselves of dead gas, so that they are filled with all fresh gas for each succeeding explosion.

Miss Longan Coming.

After many years of excellent training and faithful, energetic work, Miss Lucy Mildred Longan of Des Moines, Ia., will appear in Maryville as concert pianist Monday night, June 30, at the Empire theater. Miss Longan was graduated from the Conservatory of Music, Drake university, in 1918 under Miss Marie VanAaken. She is affiliated with the Omega Chapter of Mu Phi Epsilon, a national honorary musical sorority. The past year she has studied with Thuel Burnham, a concert pianist of international reputation.

Miss Longan has chosen Maryville as the place in which she wishes to make her debut. Her choice is a tribute to the cordiality and enthusiastic appreciation so characteristic of Maryville people. Undoubtedly the Maryville public will give her a great ovation.

Miss Longan is a niece of Mrs. Henry Westfall, and her mother was Miss Alice Ford, who grew to womanhood in this city.

TREATY SPARES GERMAN TRADE

(Continued from page 1)

tions have been vigorously upheld, as establishing a peace of justice, but certain modifications in detail and many explanations of the effect of execution are made. The reply is in two parts—a general covering letter and seriatim discussions of the general counter proposals. The answer sets forth:

A severe castigation of Germany for protesting against the treaty on the ground that the treaty conflicts with the terms of the armistice, saying that Germany fails to understand the position she occupies today in the estimation of the world for being responsible for a war which was "the greatest crime against humanity and the freedom of the people that any nation, calling itself civilized, has ever consciously committed."

The following principal changes in terms:

A plebiscite for Upper Silesia, with guarantees of coal from that territory.

Frontier rectifications in West Prussia.

Omission of the third zone in the Schlesweg plebiscite.

Temporary increase of the German Army from one hundred thousand to two hundred thousand men.

Declaration of the intention to submit within a month after signature a list of those accused of violation of the laws and customs of war.

Offer to co-operate with a German commission on reparations and to receive suggestions for discharging the obligation.

Certain detailed modifications in the finance, economic and ports and waterways clauses, including abolition of the proposed Kiel Canal Commission.

WOMEN AT WORK.

During the war, millions of women have been at work in vocations into which they have never before been called—in Munition Factories, Chemical Works, Metal Works, Street Railways, and as Ambulance Drivers, Barbers and Elevator Girls. Undoubtedly thousands of others have longed to serve in this way, but because of female ailments, which had fastened upon them, were not able to do so. Women in this condition should give Lydia E. Pinkham's Vegetable Compound a trial and find health and strength, as thousands of others have so done.—Adv.

NOTICE OF SPECIAL ELECTION.

TO ALL THE QUALIFIED VOTERS OF THE CITY OF MARYVILLE, MISSOURI:

Public notice is hereby given to all the qualified voters of the city of Maryville, Missouri, that under and pursuant to the provisions of Ordinance No. 825 of said city of Maryville, duly passed by the Council and approved by the Mayor on the 31st day of May, 1919, a special election will be held in said city of Maryville, Missouri, on Thursday, the 26th day of June, 1919, for the purpose of voting on the proposition to authorize and empower the Council of said city of Maryville to increase the indebtedness of said city of Maryville in the sum of Fifty thousand dollars in addition to the regular income and revenue now provided by law for said city, by issuing and selling in the name and for and on behalf of said city of Maryville, bonds of the par value of Fifty thousand dollars, for the purpose of procuring money to enlarge, extend and improve the water works of said city of Maryville, and to levy and collect a special tax on the taxable property of said city of Maryville, in addition to the regular annual taxes now authorized to be levied in said city, to pay said bonds and interest accruing thereon.

The polling places for said special election shall be as follows:

First Ward—City Fire Station, No. 413 North Market Street.

Second Ward—Sewell Auto Company's, office, No. 114 West 4th Street.

Third Ward—Office of J. H. Gray, No. 114 West 2nd Street.

Fourth Ward—Office of Shoemaker-Bovard Transfer Co., No. 120 East 3d Street.

All in said city of Maryville, Missouri.

The polls will be opened at 6 o'clock in the morning and kept open until sun set on the day of said special election.

Tickets or ballots to be voted at said special election will be provided for voters in the following form "For increase of debt—Yes" and "For increase or debt—No." the former of which shall be taken as a vote assenting to such increase of debt of said city in the amount and for the purposes hereinbefore set forth, and the latter as dissenting therefrom.

If two thirds of the qualified voters of said city of Maryville voting at said special election shall vote "For increase of debt—Yes" then the Council of said city of Maryville shall be thereby authorized and empowered to increase the indebtedness of said city of Maryville, to the amount aforesaid by issuing and selling the bonds of said city to the amount of Fifty thousand dollars as aforesaid, for the purposes aforesaid, and to levy and collect a special tax as aforesaid to pay the principal and interest of such bonds, and to enlarge, extend and improve the water works of said city of Maryville, with the proceeds of the sale of said bonds.

Witness our hands as Mayor and City Clerk of said city of Maryville, Missouri, and the seal of said city, this 11th day of June, 1919.

FEE SYSTEM FOR MOTOR CARS STILL IS COMPLICATED

The amount of fees collected per car for either pleasure or commercial vehicles is as yet far from uniform and is still further complicated by the widely varying requirements for the registration or licensing of chauffeurs, owners, operators, dealers, etc. Thus, if the total gross registration and license revenues be used as a basis of revenue, and the total automobile trucks and vehicles as a basis for motor cars, it is found that for the entire United States the average fee per car was $8.37. On the same basis the State of New Hampshire received in 1918 a gross revenue of $20.52 for each motor car, while Minnesota received only about $1.75 annually for each car as the registration in that state is for a three-year period.

In most states motor cars are taxed as personal property in addition to the required registration fees. In Delaware, Idaho, Iowa, Michigan, New York, North Dakota, Oklahoma, South Carolina, Pennsylvania and Vermont registration fees are in lieu of all other taxes. Therefore, in making any comparisons in fees as between the several states, this fact should be borne in mind.

Some Interesting Facts About Lumber

Some time ago the state legislature of Illinois appointed a committee to investigate the so-called "High Price of Lumber." A thorough investigation shows that up to this time lumber prices had not advanced in comparison with other commodities because the effect of the war had retarded the use and consequent demand.

It shows that 1000 feet of lumber will not purchase nearly as much grain, pork, cotton and other provisions and commodities as it would in 1913 and 1914. Therefore the price has not yet risen to the level of other things.

It shows that over twenty million acres of timber were destroyed in the old country during the war, and that with Russian saw mills dismantled, Canada and the United States will be called upon to supply the world's lumber during the reconstruction period. With the demand far greater than ever before, the report states that, "It is the opinion of this Commission that lumber prices will go up rather than down."

Another thing for us, who live in the United States, to consider, is the fact that this great demand—especially in the old country, is very liable to cause a shortage of lumber here at home.

Labor is the greatest item in the production of lumber, and with high wages being paid, prices will naturally advance. But the men who get good wages are the men who buy our produce and pay good prices for it. For that reason the BUILD NOW campaign urged by the government is sound advice, because we can get the materials now, and get them at a price that is very reasonable.

The man who is contemplating any kind of building will do well to study the market situation and take advantage of present conditions. We will be glad to give you all the information possible, furnish buildings helps, estimates, etc.
